

Yearbook!

Carthage Junior High 2011-2012

We are pleased to announce that students may begin ordering their 2011-2012 Yearbook! We are purchasing yearbooks through a new company this year (TreeRing.com), which allows us to offer some exciting options:

- Choose a softcover (\$20) or hardcover (\$27) book.
- Customize two full pages of your yearbook with your own photos, captions, and decorations!*
- Anyone can upload photos, including students, parents, teachers, and coaches
- Identify people in photos so others can find and use those photos in their Yearbook
- Import photos from Facebook and Flickr
- TreeRing.com plants a tree for every yearbook purchased

To order a yearbook online:

- go to www.treering.com online
- click the button
- enter this code: **1013119521252704**
- enter your identifying information (Name, Email address, Password, etc.) to create your account
- submit your credit card or checking account information online to order

Parents or students may arrange through Mr. Stay to submit payment or design custom pages online using a school computer. If you are unable to submit payment online (credit cards and checks accepted), submit cash to Mr. Stay. Students who do not design their own two custom pages online will receive two autograph pages designed by the Yearbook staff instead.

Please submit your order by March 1.
